Sale Of Handsome Suburban Property.

Hughes & Swinebroad report, that they have sold the Kauffman Property consisting of handsome dwelling and fifteen acres of land on Danville street near town for W. McC Johnston to E. S. Brown for \$6,750. We regret that Mr. Johnston and family will move to Lexington, but are glad to say that Mr. Brown and family will remain in Lancaster.

Primary To Nominate Judge.

The Democratic Committee for this the thirteenth Judicial district met in Danville on December sixteenth and decided on a primary to elect a nominee for Circuit Judge on March 4th, 1911. It seems certain that the Hon. Charles A. Hardin will have no opposition and will be declared the nominee. Mr. Hardin is very popular over the district and his many friends here will be glad to know that he has no opposition.

Pretty Wedding.

At two o'clock p. m., on Wednesday Dec. 28th, at the residence of the Rev. O. P. Bush, he officiating, Mr. W. B. Durham of Bryantsville, and Miss Julia Walker Cox, daughter of Mr. and Mrs. Henry Cox of this city, were joined together in the holy bonds of wedlock. They left immediately to visit the groom's relatives in Lebanon and Louisville. The bride is a very popular and attractive young woman and has many friends. The groom is a prosperous young farmer.

Tobacco Selling.

Mr. E. B. Ray representing The Central Kentucky Tobacco Warehouse Co., of Lexington, Ky., was in town Monday and stated that his house was selling lots of tobacco from this county having sold a total this season of about five million pounds at an average price of \$9.50. This is one of the best equipped houses in the state and catches all the Garrard County tobacco that goes to Lexington. They sold for James Sutton of Marksburg his entire crop of about 8,000 pounds at \$13.35, and for Frank Land, his entire crop at \$13.40.

For Lieutenant Governor.

JAS. P. EDWARDS, of Louisville, Kentucky.

The only Announced Candidate.

Subject to the Action of the Democratic Party.

More Tobacco News.

Capt. I. M. Dunn, representing the Peoples Tobacco Warehouse Co. of Danville was in town court day soliciting Garrard County tobacco growers to sell their tobacco at his warehouse in Danville. He stated that there are six buyers representing different houses buying at his house and that many Garrard farmers are selling at a good price. Uncle Dave Ross is solicitor for this county and he is a good one and will be glad to give you any information as to the prices that tobacco is selling at in Danville.

Noel.

Mrs. Richard Noel the widow of the late Squire Noel died at her home in Buckeye after a few days illness of pneumonia. The following sons: Arthur, Robert, Wm. and Lewis; and daughters Mrs. Joe Kelley of Madison Mrs. Davis, John McCully and Morris Long of this county mourn her death. Two sisters Mesdames J. P. Prather of this place and Mrs. Robert Burton of Madison survive. The funeral was preached at 11 o'clock Wednesday followed by interment in the Lancaster cemetery. Much sympathy is extended to the bereaved family.

Enjoyable Occasion.

The reception held at the Christian Church Wednesday evening in honor of several of the members of that congregation, who are soon to leave Lancaster to reside, was quite an enjoyable occasion.

About one hundred of the members were present and a delightful salad course and coffee was served during the evening.

Many were the regrets expressed that this church was soon to lose some of her best members and the good wishes of all go with them to their new homes.

Tobacco Growers Notice.

The tobacco growers of Garrard County will meet at the Court House Saturday afternoon Dec. 31st, at two o'clock, for the purpose of selecting delegates to go to Lexington on January fifth, at which time an organization will be perfected of the independent growers. This is a good movement as it has been proven beyond any question of a doubt that a pool is necessary to hold up the price of burley tobacco. We have always been in favor of a pool if organized in the proper manner. It therefore behooves each and every tobacco grower of Garrard County to be on hand at this meeting in order that a strong organization will be perfected, one that will stick through years to come, and hold Garrard County in its present condition of prosperity.

Probable Candidates.

In case the Hon. Charles A. Hardin is elected Circuit Judge, this district will have another Commonwealth's Attorney. Several prominent lawyers of the district have been mentioned for the place, among them Hon. Joseph E. Robinson of this city. The Stanford Interior Journal in its issue of last week stated that Mr. Robinson would not run. It is true that he hasn't announced and is not a candidate for at present there is no vacancy. It seems certain however, that there will be a vacancy and when the time comes Mr. Robinson's friends may force him to make the race as he is eminently qualified, well known over district and would fill well this important office. The other gentlemen whose names have been mentioned as probable candidates are County Attorney W. S. Burch of Lincoln, Hon. Rodman Keenon of Mercer, and Hon. Henry Jackson and Emmett Furry of Boyle.

SCHOOLS CLOSE

In Honor Of The Burial Of a Great And Smart Kentuckian.

At an early date the Kenton Bar Association will be called together by President Walker C. Hall to take action upon a statement which recently appeared in a Cincinnati paper that subscriptions were taken to bury the late John G. Carlisle. Kenton county being the home and burial place of the late statesman, and he having been a member of the Kenton Bar, President Hall feels that the publication of such erroneous statements is a decided reflection upon the Bar Association. Moreover Hall is in receipt of a number of newspaper clippings from all parts of the country containing garbles and false reports of the manner in which Carlisle was buried. One paper stated that the Kenton bar neglected to pay any attention to the funeral, and a number reiterated the unfounded and inexcusable statement of the Cincinnati paper that Carlisle had to be buried at the expense of the public.

The truth of the matter is that the body of the noted statesman was interred in beautiful Linden Grove cemetery at Covington, at the same time with that of Mrs. Carlisle, and the occasion was marked by all due solemnity and respect the caskets being placed in flower-adorned graves and the schools of Covington being closed in honor of the memory of a great Kentuckian.

State Democratic Primary.

The State Democratic Committee met in Louisville Wednesday and Thursday of last week. By a vote of eight to four the Democratic State Executive Committee called for a primary to nominate Democratic candidates for State officers for the election in November, 1911. At the same time the committee, by a vote of six to five, with one of the members refusing to vote, ruled that the endorsement of a candidate for United States Senator should not be considered by the voters of the State in the primary. The date of the primary, as fixed in resolution adopted by the committee, is Saturday May 27th. A subcommittee was named to look after all the details of the primary and to collect funds from the Democrats of the State to assist in defraying the expense of it. The body is entrusted with the duty of getting the call for the primary in legal form and attending to other matters, and will report back to the committee as a whole on Wednesday, January 25th.

Many prominent democrats from all parts of Kentucky were on hand and some of them favored a convention, however the members of the committee had talked with people in their district and knew what the people wanted.

Sen McCreary scored a victory for he was the only candidate for Governor who favored a primary: He did not want to see a repetition of the Music Hall convention of several years ago.

Hon. Ben Johnson had many of the politicians for him and for that reason was very strong for a convention but the Whallen-Halderman-Johnson coalition could not put over the convention over the wishes of the people.

Hon. James P. Edwards, the only announced candidate for Lieut Governor said that he had no choice and was in the race to win either way the people wanted to select the nominee's.

Sale of City Property.

Hughes and Swinebroad sold for R. E. McRoberts, to C. L. and J. B. Conn the brick part of the Mason Hotel property, for \$3,500. Their large machine shop will be placed on the west side of the brick and the front rooms of the brick will be used for storing and displaying vehicles and implements. They will do an extensive business in their new quarters.

ANNOUNCEMENTS

For Circuit Judge

We are authorized to announce Hon Charles A. Hardin a candidate for Judge of the Thirteenth Judicial District, at the November election, 1911, in support of the action of the Democratic party.

Democratic Meeting.

The Democratic Executive Committee held in Louisville, Ind., will meet with the majority of the state in so far as it is to select Democratic state officers.

Before stated our position in the primary election. We wish elected or his opponent. The history of party convention and other states are too numerous to mention. We wish to continue a prey for the national politician. Party has will be the more general when majority get what they want, and how they have it. This condition seldom comes when a convention is held, and very rarely fails in the primary election.

We think that the Committee reflected the will of the party when it called the primary and that those candidates for nominations who are so vigorously opposing the primary do not bring favor to their candidacy by such opposition. Hon. James B. McCreary seems to have been the only candidate who encouraged the committee to call a primary and we think that he has greatly added to his hold upon popular confidence by his manly stand for an honest primary election.

However, we do believe that the Committee made a great blunder in not including in the primary election the selection of a nominee of the party for United States Senator. This is a party principle to well known and to generally accepted for controversy. In our last two National Democratic platforms we declared in favor of selecting United States Senators by direct vote of the people, and for the party in Kentucky to decline to act in harmony with this well known democratic principle, seems to us a mistake. It is to be hoped that the Committee after reflection will meet and include the selection of a Senator in the primary.

The Initiative And Referendum.

New methods and plans for conducting public affairs are seldom brought out for general consideration except through some political leaders seeking preferment by the electors or by incorporating them in a platform of some political party. Although nearly every state in the Union has discussed as a political issue, the initiative and referendum, more or less, and many states have adopted it, politicians and political parties in Kentucky have shied at the principle in the past. We know of no state that has adopted the initiative and referendum where there exists any marked dissatisfaction with its effect upon legislative conditions.

In general terms we may understand the initiative to be a provision which permits a certain percentage of the people of the state or a city to file a petition asking for the enactment of a certain law and when this is done the law is initiated. At the next general election, if a majority of the people vote in favor of the proposition then it becomes a law. The initiative only becomes necessary when the law makers fail to respond to the demands of the people.

Referendum is a provision which permits a certain percent of the voters to file a petition asking the vote upon the repeal or suspension of a law of a state or an ordinance of city which the legislature or council may enact when not desired by the public. The petition being filed the law is suspended until approved or rejected by a vote of the people.

The initiative and referendum vest the people with the same direct authority to enact and repeal laws as has the legislature of a state or the council of a city. For Kentucky to have such a law would necessitate an amendment to our constitution. Do you or do you not favor such law? We will have more to say about it in the future.

The Whallen Johnson crowd have not picked their man for Leut Governor. So far Mr. Edwards is the only candidate and he doesn't seem to be tied to any band wagon.

There is some talk that Hon Robt Evans of Danville will run for Leut Governor and he is a good man. So far he has not announced.

Happy New Year to each and every one. May the coming year be a prosperous one to you all.

ONLY ONE "BEST"

Lancaster People Give Credit When Credit is Due.

People of Lancaster who suffer with sick kidneys and bad backs want a kidney remedy that can be depended upon. The best is Doan's Kidney Pills, a medicine for the kidneys only made from pure roots and herbs, and the only one that is backed by cures in Lancaster. Here's Lancaster testimony: Mrs. E. F. Walter, Hill St., Lancaster, Ky., says: "I never fail to praise Doan's Kidney Pills when I have the opportunity. I have not been without a supply of this remedy in the house for years and whenever my back becomes lame and painful, a few doses bring prompt relief. For sometime I suffered from kidney trouble. The kidney secretions were unnatural and judging from this, I knew that my kidneys were disordered. At that time it was my good fortune to hear of Doan's Kidney Pills and I procured a supply at Frisbie's Drug Store. Through their use my kidneys were restored to a normal condition."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

CURE CATARRH

It's Easy, Pleasant, and Costs But a Trifle.

How many readers of the Central Record know that in Inland Australia where the mightiest of eucalyptus trees grow in abundance, that there is no consumption, catarrh or diseases of the respiratory tract.

The refreshing balsam thrown out by these trees fills the air and is breathed into the lungs by the inhabitants and all germ life is destroyed.

If you have catarrh you cannot go to Inland Australia except at great expense, but you can breathe right in your own home the same pleasant, soothing, healing, germ killing air you would breathe if you were living in the eucalyptus district of Australia.

Just breathe HYOMEI; it is made from Australian eucalyptus and scientifically combined with thymol and other Listerian antiseptics.

Four or five drops of HYOMEI into the inhaler and breathe it. As it passes over the catarrh infected membrane it kills the germs and heals the raw, inflamed surface.

HYOMEI is guaranteed to cure catarrh, coughs, colds, croup and sore throat, or money back. Complete outfit including inhaler \$1.00. Extra bottles of HYOMEI cost but 50 cents. Sold by R. E. McRoberts & Son and druggists everywhere.

To break up cold in head or chest in a few minutes, pour a teaspoonful of Hyomei into a bowl of boiling water, cover head and bowl with towel and breathe the vapor.

PREACHERSVILLE.

Mr. Leslie Melvin, who has been at Parker City, Ind., for two years, has returned to visit his mother, Mrs. P. E. Parish.

Mr. and Mrs. Jones L. Anderson and little daughter, Victoria, have returned from a visit to Rev. T. H. Thornton and family at Honaker, Va.

Ends Winter's Troubles.

To many, winter is a season of trouble. The frost bitten toes and fingers chapped hands and lips, chilblains, cold sores, red and rough skins, prove this. But such troubles fly before Bucklen's Arnica Salve. A trial convinces. Greatest healer of Burns, Boils, Piles, Cuts, Sores, Eczema and Sprains. Only 25c at R. E. McRoberts & Son.

Mr. K. J. Smith has moved to Hyattsville.

Mr. Chester Harris shot himself in the leg accidentally.

Mrs. Timothy Naylor is convalescing after a severe illness.

Word received from the Lexington asylum says that Mr. Menefee Elmore has pneumonia.

Mr. and Mrs. Ben T. Lunsford, Jr., of Garrard, visited Mr. and Mrs. Ben T. Lunsford, Sr.

Mr. J. H. Thompson sold some eighty pound shoats to George Spoonamore at seven one-half cents.

Rev. Pierce Bryant has resigned his care of the Baptist Church here. His sermon on Sunday finished his year.

The exhibition given by the Hobbs and Preachersville schools at the M. E. Church here was a success. It was one of the best ever held here and reflects much credit on both the pupils and their teachers, Misses Howard and Holtzclaw.

The large Xmas tree was a feature of interest and a source of much pleasure to the little folks. Old Santa was present and is a spry old fellow considering his age.
